Event phone number

01789 576 020

Option 1 - First Aid

Option 2 - Vehicle access to site

Option 3 - Everything else

Contact us

Before the event, use ask@getincamp.co.uk

During the event, this email address will not be operating - please visit Event Reception at first, or call the event phone number.

Walking across site

It takes around 20 minutes to walk across the site, from the red car park to the water zone. You may want to consider ways to organise around this, for example, bringing lunch to participants rather than walking participants back to camp sites.

Activity permissions

Water and shooting activities require parental permission. This needs to be conveyed onto participant wristbands by leaders, in accordance with instructions in the Event Manual V3 (page 7).

Safety

Safety is everyone's priority. If you see someone without a wristband challenge it and report it. If you discover a safety concern, please report it to the nearest staff member. Please make sure you have checked all camping equipment, in case it has deteriorated since last used. This includes gas pipes for camp stoves!

Day visitors

Visitors will travel on to site exactly like weekend visitors, following the red and green routes. However they will need to be dropped off and collected from the meeting points in the respective red/green car parks, as parents will not have wristbands to get access to the site.

Food bank

We invite everyone who can to bring an item of food with them, to be donated to local food banks. Find out more at www.getincamp.co.uk/foodbank

Essential event information, all on one (double-sided) piece of A4!

Accessibility

Via our Event Phone Number, people with mobility difficulties can request a lift between camping and activity areas. This will be done using our marked, staff-driven site vehicles.

COVID guidance

There is no specific event guidance in place for Get In 2022. To promote good hygiene, we will be supplying more hand sanitisation stations around the event site than in 2018. Attendees should follow Scout Association requirements. Please note Groups should be bringing their own washing facilities (e.g. for evening washes, brushing teeth) as there is only basic hygiene facilities available at the toilet blocks.

Arriving/departing

RED route (Gate A)	<u>Event staff</u> <u>All coaches</u> Atherstone Kenilworth Leamington
GREEN route (Gate B)	<u>NO COACHES</u> Nuneaton Rugby Stratford West Warks Warwick

At night (between 11pm-6am, quiet time):

- Gate A (red route) will be the only entrance.
- Vehicles in the red car park exit via Gate A.
- Vehicles in the green car park exit via their normal exit gate, Gate D, re-entering at Gate A.

Camping areas

Ask your booking contact for details on your camping areas. Please note we will be camping on fields used by animals. Whilst they have been removed in excess of 28 days before the event, there may be dung left on the field in some places.

Vehicles on camping areas

At the discretion of the Event Management Team, you may have one commercial van (up to 3.5T weight) or up to two trailers on your camping pitch to facilitate breakdown of equipment at the end of camp. These must be in place before the vehicle freeze at 5pm Friday and cannot move until approx. 5pm Sunday.
