

Fire Walking Activity Information

The Fire Walking Activity will take place on

SATURDAY 2 MAY 2026 from 19:30hrs until 22:30hrs

Numbers for this event are limited to 100 places – first come first served!

WHAT IS FIRE WALKING?

Fire walking is the practice of walking barefoot across a bed of burning coals without getting burned. It is a powerful tool designed to help transform fear and to inspire people to do things they initially didn't think possible. It can show you that there is more to 'reality' than you think, that many limitations which people experience in life are self-imposed and that you can actually create your own reality. Blending a combination of no-nonsense, easily explainable scientific principals with proven motivational skills, it will take participants to a level of unbridled euphoric excitement.

The fire bed itself is 20' long and 3' wide and it burns at a temperature of 660°C!! The pre-fire walk training is mandatory to help prepare you to fire walk safely.

TIMETABLE

19:30	Registration
20:00	Training (mandatory)
21:00	The FIRE is lit!
